DEVELOPMENT DEPARTMENT

G.O. MS. No. 4660 Dated 13-9-1948.

Read the following:

G.O. No. 395, Development dated 29-2-1924.
G.O. No. 562, Development dated 28-3-1928.
G.O. No. 531, Development dated 13-3-1930.

From the Accountant-General letter No. T. 10-Co-operative I-230, dated 9-7-1947.
From the Registrar of Co-operative Societies letter No. 5116-45 D1. dated 18-8-1947.
From the Registrar of Co-operative Soeicties letter No. 5116-D1, dated 24-6-1948.

ORDER:

The Accountant-General has enquired whether the stoppage of increment for failure to pass the Book-keeping test in the case of the Inspectors who were irregularly confirmed by the Registrar and whose confirmation was ratified by the Government in the G.O. cited as item (iii) above, will have the effect of postponing their future increments after they had passed the tests. This question was not brought before the Government previously and no orders were therefore issued in the matter. But the Registrar had presumed that the stoppage of increment would not have the effect of postponing the future increments after passing the tests and had taken action accordingly. His Excellency the Governor of Madras ratified the Registrar's action and directs that the stoppage of increment in the case of the Inspectors mentioned above shall not have the effect of postponing their future increments after they have passed the tests.

2. The Accountant-General has also enquired whether in the case of Inspectors who were in service prior to the introduction of the statutory rules for the Madras Co-operative Subordinate Service in the year 1930 other than those mentioned in para 1 above, and whose increments were also stopped for not passing the tests, such stoppage will have cumulative effect. Stoppage of increments was not prescribed as a penalty for failure to pass the tests except in the case of the Inspectors who were irregularly confirmed by the Registrar and whose confirmation was ratified by the Government. The stoppage of increment in the case of others is irregular. The Government however, do not propose to reopen these cases. When stoppage of increment itself is irregular in these cases it will be a further injustice to them to give cumulative effect to such stoppage of increment. His Excellency the Governor of therefore directs that in the case of those Inspectors whose increments were stopped irregularly for not passing the tests, such stoppage of increment shall not postpone their future increments after they had passed the tests.

P.T.O.

3. The presumption of the Accountant-General that rule II(b) of the Madras Co-operative Subordinate Service Rules applies only to those who were appointed after 26-5-1937 is correct."
